10 Petitioner,

No. C 10-2564 SI (pr)

**ORDER EXTENDING TRAVERSE  
DEADLINE**

11 v.

12 MIKE McDONALD, warden,  
13 Respondent.  
14 \_\_\_\_\_/

15 Petitioner has filed a request for extension of time to file his traverse. Upon due  
16 consideration, the court GRANTS petitioner's request. (Docket # 26.) Petitioner must file and  
17 serve on respondent's counsel a copy of his traverse no later than **August 12, 2011**. No further  
18 extensions of this deadline should be expected because, by the time it arrives, petitioner will  
19 have had over six months to prepare his traverse.

20 Petitioner also indicates he is waiting for a ruling on his request for appointment of  
21 counsel. That request was denied in an order filed May 25, 2011. Petitioner must prepare his  
22 traverse without assistance of counsel.

23 IT IS SO ORDERED.

24 DATED: June 20 2011
