STIPULATION AND AGREEMENT FOR COMPROMISE AND SETTLEMENT

Case No. CV 10 2807 (MEJ)

1 prejudice:

2 NOW, THEREFORE, in consideration of the mutual promises contained in this Agreement,  
3 and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties  
4 (i.e., Plaintiff and Defendant - Steven Chu, Secretary of the United States Department of Energy)  
5 agree as follows:

6 1. **Settlement Amount.** In full and final settlement of all claims in connection with the  
7 above-captioned action, Defendant shall pay Plaintiff a total sum of one hundred fifty thousand  
8 (\$150,000.00) dollars ("Settlement Amount"). There shall be no withholding from this amount.  
9 Plaintiff understands that this payment will be reported to the Internal Revenue Service ("IRS"), and  
10 that any questions as to the tax liability, if any, as a result of this payment is a matter solely between  
11 Plaintiff and the IRS. The check will be made payable to Bryan Schwartz Law and Garnett  
12 Gebhardt, and will be mailed to Plaintiff in care of her counsel. Plaintiff and her attorney have been  
13 informed that payment of the Settlement Amount may take as much as, forty-two (42) days from the  
14 date that the Court "so orders" this Agreement to process, but not more than seventy (70) days from  
15 the date the Court "so orders" this Agreement to process. Plaintiff understands that she will not be  
16 issued a check until after the Court approves this stipulation.

17 2. **Release.** In consideration of the payment of the Settlement Amount and the other terms  
18 set forth in this Stipulation and Agreement, Plaintiff hereby releases and forever discharges  
19 Defendant, the Department of Energy, and any and all of their past and present officials, agents,  
20 employees, attorneys, insurers, their successors and assigns,<sup>5</sup> from any and all obligations, damages,  
21 liabilities, actions, causes of actions, claims and demands of any kind and nature whatsoever,  
22 including claims arising under the Age Discrimination in Employment Act, 29 U.S.C. § 633a,  
23 whether suspected or unsuspected, at law or in equity, known or unknown, or omitted prior to the  
24 date she executes this Agreement, which arise from or relate to any work performed during her  
25 employment with a Department of Energy contractor, Northrop Grumman Corporation, and any  
26 work she performed for the Department of Energy.

27 3. **Attorneys' Fees.** The parties agree that the Settlement Amount is in full satisfaction of

28 <sup>5</sup> This release in no way affects Plaintiff's claims against Defendant Northrop Grumman.

1 all claims for attorneys' fees and costs arising from work performed by Plaintiff's counsel at all  
2 stages of litigation, including, but not limited to, the processing of Plaintiff's administrative and  
3 district court complaints in connection with the above-captioned action, and any other judicial or  
4 EEO administrative proceedings.

5 4. Dismissal. In consideration of the payment of the Settlement Amount and the other terms  
6 of this Stipulation and Agreement, Plaintiff agrees that she will execute a Stipulation of Dismissal,  
7 which stipulation shall dismiss, with prejudice, all claims asserted in this Action or any claims that  
8 could have been asserted in this Action. The fully executed Stipulation of Dismissal will be held by  
9 counsel for Defendant and will be filed with the Court upon receipt by Plaintiff's counsel of the  
10 Settlement Amount. The executed Stipulation of Dismissal shall not be filed and will have no effect  
11 until after Plaintiff receives the Settlement Amount described in Paragraph 1, above.

12 5. Waiver of California Civil Code § 1542. The provisions of California Civil Code  
13 Section 1542 are set forth below:

14 "A general release does not extend to claims which the creditor does  
15 not know or suspect to exist in his or her favor at the time of executing  
the release, which if known by him or her must have materially  
affected his or her settlement with the debtor."

16 Plaintiff has been apprised of the statutory language of Civil Code Section 1542 by her attorneys,  
17 and fully understanding the same, nevertheless elects to waive the benefits of any and all rights she  
18 may have pursuant to the provision of that statute and any similar provision of federal law. Plaintiff  
19 understands that, if the facts concerning Plaintiff's claims and the liability of the government for  
20 damages pertaining thereto are found hereinafter to be other than or different from the facts now  
21 believed by them to be true, this Agreement shall be and remain effective notwithstanding such  
22 material difference.

23 6. Agreement as a Complete Defense. This Agreement may be pleaded as a full and  
24 complete defense to any subsequent action or other proceeding involving any person or party which  
25 arises out of the claims released and discharged by the Agreement, other than for enforcement of this  
26 Agreement.

27 7. No Admission of Liability. This is a compromise settlement of a disputed claim and  
28 demand, which settlement does not constitute an admission of liability or fault on the part of the

1 Defendant, the Department of Energy, or any of their past and present officials, agents, employees,  
2 attorneys, or insurers on account of the events described in Plaintiff's complaints in these actions.

3 8. **Tax Liability.** If any withholding or income tax liability is imposed upon Plaintiff or  
4 Plaintiff's counsel based on payment of the settlement sum received herein, Plaintiff or Plaintiff's  
5 counsel shall be solely responsible for paying any such determined liability from any government  
6 agency thereof.

7 9. **Enforcement Sole Remedy.** The parties agree that should any dispute arise with respect  
8 to the implementation of the terms of this Agreement, Plaintiff shall not seek to rescind the  
9 Agreement and pursue her original causes of action. Plaintiff's sole remedy in such a dispute is an  
10 action to enforce the Agreement in the United States District Court for the Northern District of  
11 California.

12 10. **Construction.** Each party hereby stipulates that it has been represented by and has  
13 relied upon independent counsel in the negotiations for the preparation of this Agreement, that it has  
14 had the contents of the Agreement fully explained to it by such counsel, and is fully aware of and  
15 understands all of the terms of the Agreement and the legal consequences thereof. For purposes of  
16 construction, this Agreement shall be deemed to have been drafted by all Parties to this Agreement  
17 and shall not, therefore, be construed against any party for that reason in any subsequent dispute.

18 11. **Severability.** If any provision of this Agreement shall be invalid, illegal, or  
19 unenforceable, the validity, legality, and enforceability of the remaining provision shall not in any  
20 way be affected or impaired thereby.

21 12. **Integration.** This instrument shall constitute the entire Agreement between the Parties,  
22 and it is expressly understood and agreed that the Agreement has been freely and voluntarily entered  
23 into by the parties hereto with the advice of counsel, who have explained the legal effect of this  
24 Agreement. The Parties further acknowledge that no warranties or representations have been made  
25 on any subject other than as set forth in this Agreement. This Agreement may not be altered,  
26 modified or otherwise changed in any respect except by writing, duly executed by all of the parties  
27 or their authorized representatives.

28 13. **Authority.** The signatories to this Agreement have actual authority to bind the parties.
