 12 vs.
 13 DALLAS ANDRUSS et al.,
 14 Defendants.

No. CV-10-03213-MMC

STIPULATION TO CONTINUE SETTLEMENT CONFERENCE

15 The parties, through their counsel of record, have met and conferred. In the
 16 interests of justice and judicial economy, and because it appears that a settlement
 17 conference held prior to the hearing of a summary judgment motion will be a waste
 18 of time and resources because the case will not settle before disposition of a
 19 summary judgment motion, and because, given the necessity for counsel for
 20 plaintiff to conduct discovery in order to prepare for a defense motion for summary
 21 judgment, the current settlement conference date, September 25, 2012, would
 22 precede a summary judgment hearing and should be continued. Thus, the parties
 23 stipulate to the continuance of the settlement conference until a time after the
 24 issuance of the ruling on the defense summary judgment motion.
