United States District Court
For the Northern District of California

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

WIAV NETWORKS, LLC,
Plaintiff,

No. C 10-03448 WHA

v.

HEWLETT-PACKARD CO.,
Defendant.

**ORDER DENYING
STIPULATED REQUEST
TO EXTEND DEADLINE**

The parties request a one-week extension of the deadline for filing critiques of the tentative claim-construction order, because they “are currently engaging in settlement discussion” (Dkt. No. 681). This stipulated request is **DENIED**. Litigation must proceed in a timely manner despite parallel efforts to settle the case. The deadline for filing any critique of the tentative claim-construction order remains **NOON ON JUNE 9, 2011**. For clarity, counsel are advised that critiques were invited as *optional* submissions; the June 9 deadline presents an opportunity, not a requirement.

IT IS SO ORDERED.

Dated: June 8, 2011.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE
