1 Whereas, Defendant U.S. Ethernet Innovations, LLC (“USEI”) filed a Motion to Dismiss
2 (Dkt. No. 9) for lack of personal jurisdiction on August 30, 2010.

3 Whereas, the parties have recently negotiated a resolution to USEI’s motion to dismiss, and,
4 as such, there is not yet a deadline for USEI to answer Zions Bancorporation’s (“Zions”) Complaint.

5 Whereas, the parties have concurrently filed a stipulation extending the time for USEI to
6 answer Zions’ complaint in this action up to and including March 4, 2011.

7 Whereas, the current date for the Case Management Conference is January 21, 2010.

8 Whereas, Zions intends to file a motion to relate this action with *U.S. Ethernet Innovations,*
9 *LLC v. Acer, Inc., et al.*, Case No. 5:10-CV-03724-JW (the “Acer action”) and *U.S. Ethernet*
10 *Innovations, LLC v. AT&T, et al.*, Case No. 5:10-CV-5254-JW (the “AT&T action”), currently
11 pending before the Honorable James Ware.

12 Whereas, the parties agree that the Case Management Conference as scheduled is premature
13 and that modifying it would allow for the resolution of the forthcoming motion to relate and also for
14 the completion of the initial pleading process.

15 Whereas, the parties agree, subject to the approval of the Court, to move the Case
16 Management Conference to March 11, 2011.

17 Whereas, the parties have requested one prior modification to the date for the Case
18 Management Conference.

19 Whereas, the parties agree that the requested time modification will not have a significant
20 impact on the case schedule.

21 Now therefore, it is stipulated and agreed:

22 The Case Management Conference scheduled for January 21, 2011 shall be postponed and
23 rescheduled for March 11, 2011, or as soon thereafter that the Court’s schedule will permit.
