I, Kristin Zmrhal, declare as follows:

1. I am a Project Manager of Discovery Support at Google Inc. ("Google"). I submit this supplemental declaration in support of Google's Bill of Costs. I managed Google's document collection and production in the above-captioned case. I have knowledge of the facts set forth herein, and if called to testify as a witness thereto could do so competently under oath.

2. I have reviewed the invoices that Google received from its e-discovery vendor, FTI, for e-discovery expenses related to the above-captioned matter. FTI charged Google approximately \$7.5 million for e-discovery-related costs in this matter.

3. I have reviewed Google's Bill of Costs and its Response to Oracle's Objections to Google's Bill of Costs. The e-discovery costs claimed therein were necessarily incurred as part of reproducing disclosure and formal discovery documents in this case.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed at Mountain View, California on July 26, 2012.
