

SUPPLEMENTAL HARDSHIP QUESTIONNAIRE

You are being summoned as a candidate to serve as a member of the jury that will decide a patent and copyright trial between Oracle America, Inc. and Google Inc. The purpose of this questionnaire is to learn the basis for any hardship issues in advance of your appearance date. Unless you are specifically excused in advance, you must appear as summoned.

QUESTION ONE

If chosen to serve on the jury, your service would be mandatory Monday through Friday from 7:45 a.m. to 1:00 p.m., from __, 2012, to possibly as late as __, 2012. What personal or financial hardships, if any, would you suffer if you were chosen to serve on the jury? **Before answering this question, be sure to check with your employer to find out whether you will be fully paid for such a long trial. It is your responsibility to check.**

QUESTION TWO

Prior to receiving the jury summons, had you already purchased non-refundable travel tickets for a vacation or scheduled a personal medical procedure for the days we will be in trial? If so, please explain the details, including the dates of travel, the destination, and the specific time and place of any medical procedures.

QUESTION THREE

State any other hardship such service would impose.
