10 v.

**ORDER SETTING TRIAL
DATE OF APRIL 16, 2012**

11 GOOGLE INC.,
12 Defendant.
13 _____/

14 In reliance on Oracle's withdrawal with prejudice of the '720, '205, and '702 patents,
15 given the final rejections by the PTO examiner, and having twice admonished counsel to reserve
16 mid-April to mid-June 2012 for the trial of this case, this order now sets April 16 as the first day
17 of trial, which will be devoted to jury selection and opening statements. The trial shall continue
18 day to day on the trifurcated plan previously set and on the daily 7:30 a.m. to one p.m. schedule
19 previously set, with the trial expected to run about eight weeks. A hardship questionnaire will be
20 sent by Thursday to the venire to preclear potential jurors for such a lengthy trial. The final
21 pretrial order was issued earlier on January 4, 2012 (Dkt. No. 675).

22 Google is hereby encouraged to withdraw its invalidity defenses that have failed in the
23 reexamination process as a way to further streamline the trial on the two patents remaining in suit.
