Plaintiff and Defendant Electronic Arts Inc. ("EA") respectfully move this Court to grant EA an additional 30 days to file a responsive pleading. As grounds, Plaintiff and EA state:

Plaintiff mailed an F.R.C.P 4(d) Request for Waiver of Service of Summons with a copy of the Complaint to the registered agent for service of process for EA on August 26, 2010 (Ex. 1). The Request called for a response within 30 days, and EA timely executed and returned the Waiver of Service (Ex. 2). In a subsequent telephone call between undersigned counsel, EA represented that it had only recently received the Request and the Complaint from its registered agent, and would not be able to fully investigate Plaintiff's claims before its deadline for filing a responsive pleading, October 25, 2010.

EA and Plaintiff therefore have agreed that, should this Court approve, EA shall have an additional 30 days to file a responsive pleading, until November 24, 2010.

EA and Plaintiff move this Court to grant EA that additional time.

DATED: October 4, 2010

Respectfully submitted,

STEVEN C. POSNER, *Pro hac vice*
