Re: Mafia Wars/Zynga

Dear Mr. Ilveskoski:

We are counsel to ZYNGA Games Network, Inc. ("Zynga") and we write in response to your letter to Mark Pincus dated January 21, 2009.

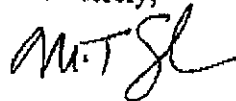

Without commenting on the claims and arguments made in your letter, we respond as follows.

Zynga does not claim Mafia Wars as a trademark. Zynga uses the term "Mafia Wars" to describe the genre of Zynga's game MAFIA WARS from ZYNGA or ZYNGA MAFIA WARS. Zynga disclaims any trademark rights in the term "Mafia Wars" in connection with its game.

Despite Zynga's position that its use of Mafia Wars does not infringe your client's trademark, Zynga would be willing to forego claiming trademark rights in the term MAFIA WARS in the EC and will undertake not to use the term on materials that are targeted at and distributed in the EC. We hope that this will alleviate Digital Chocolate Inc.'s concerns.

This is without prejudice to the rights and remedies of Zynga, all of which are expressly reserved. Should you wish to discuss this further, please contact me at 212-554-7625.

Sincerely,

Martin Schwimmer
