U.S.D.C. N.D. Cal., Case No. 10-cv-3859 CRB

Dear Judge Breyer:

We are pleased to inform you that the parties have reached a tentative settlement in this and all related matters. We expect we will be able to provide the Court with final notice of settlement with our next Joint Settlement Conference Statement prior to the next case management conference, currently set for June 22, 2012.

Thank you.

Very truly yours,

Bethany Caracuzzo
