Re: Carlson v. Anka Behavioral Health, Inc.
Case No. C-10-03914 THE

Dear Judge Spero:

The November 17, 2011 Notice of Settlement Conference and Settlement Conference Order indicates that each party must submit a settlement conference statement not to exceed ten pages of text and twenty pages of exhibits. Please consider this Anka Behavioral Health, Inc.'s request for submission of additional pages; of both text and exhibits. This is a wage and hour class action with a complex history, significant discovery disputes to date, prior litigation, and a multitude of claims by a putative class of hundreds of employees. The current page limit for the settlement conference will not allow the parties to properly brief the Court on the issues in advance of the settlement conference.
