 REGARDING EXPERT DISCOVERY  
 DATES**

GAMBLIN ARTISTS COLORS CO.; and  
 DOES 1 through 100, inclusive,

Defendant(s).

19

An expert for one of the parties recently developed health complications requiring  
 20 surgery, making that expert unavailable for provision of an expert report and trial. The parties  
 21 want to retain the equity of contemporaneous disclosures so have agreed to move out two weeks  
 22 all dates related to expert disclosures and expert discovery. Although not currently anticipated, if  
 23 complications arise related to the expert report from the new expert an additional short time may  
 24 be required. The parties will address that if it occurs. None of this will impact the trial date or  
 25 other dates contained in the most recent Case management and Pre-trial Order for Jury Trial.

26

In the interest of efficient case management, the parties have agreed to amend the dates  
 27 set forth in the previous Case Management and Pre-Trial Order for Jury Trial as follows:
