received. It will not be enough to inform the clerk that a settlement in principle has been reached or to lodge a partially executed settlement agreement or to lodge a fully executed agreement (or dismissal) that resolves less than the entire case. Where, however, a fully-executed and unconditional settlement agreement clearly and fully disposing of the entire case is lodged reasonably in advance of the pretrial conference or trial and only a ministerial act remains, the Court will arrange a status conference to work out an alternate procedure pending a formal dismissal.

Please state whether the Court can be of further ADR assistance (but avoid stating offers, counteroffers or dollar amounts).

10 In this case, the Court wishes to consider the following additional trial procedures and desires that counsel meet and confer and reach a stipulation concerning whether and how to use them:

> 1. Scheduling opposing experts so as to appear in successive order;

2. Giving preliminary instructions on the law;

3. Allowing limited pre-closing deliberations (as per, e.g., Rule 39 of the Arizona Rules of Civil Procedure); and

4. Allowing each side fifteen minutes of opening/argument time to be used during the evidence time (in addition to normal opening statement and closing argument).

Please present the results of your stipulation (or not) in the joint pretrial conference submissions.

24 Dated: March 14, 2012.
