Attention: Don't get confused!

Faceporn is a porn site, and must not be confused with other sites containing the word "face". The fact that our name has the word "porn" in it, should make it abundantly clear that this is in fact a porn site. Facebook thinks they should have ownership to the word "face", and is suing us because of it. Rest assure that we are in no way affiliated with or supported by Facebook. Unlike them we do not censor our users. Enjoy your stay at FacePorn!
