TO THE COURT:

Plaintiff is pleased to report that a cooperative site inspection has now been held, which was attended by the defendants, their counsel, their general contractor, plaintiff's counsel, and plaintiff's access consultant Barry Atwood. The purpose was to inspect the work performed by the defense to comply with the Consent Decree of May 27, 2011 (ECF 19). Thereafter the parties exchanged further correspondence and photographs of subsequent work. Plaintiff is now satisfied that the defense is in full compliance with the Consent Decree of May 27, 2011, and therefore requests that the Court terminate its
