MEMORANDUM FOR ACEUR/CC

FROM: MAJ MICHAEL D. ALMY

SUBJECT: Discharge Under AFI 36-3206 – Conditional Waiver Statement

1. I have been notified that you are recommending me for discharge under AFI 36-3208, Chapter 3, Paragraph 3.6.8, and of the specific basis of the proposed discharge. I know I am entitled to request or waive, in writing, the following rights:
 - a. To present my case before a Board of Inquiry
 - b. To be represented by military counsel at this Board of Inquiry
 - c. To submit statements on my own behalf to be considered by the Board of Inquiry.
2. Military counsel has been made available to me. I have been notified of my right to employ civilian counsel, if I so desire.
3. I hereby offer a conditional waiver of these rights associated with a Board of Inquiry hearing. This waiver is contingent on:
 - a. My receipt of no less than an honorable service characterization, if the recommendation for my discharge is approved.
 - b. The opportunity to submit statements on my own behalf to the Show Cause Authority, and any subsequent reviewing authorities, for their consideration in determining if my discharge should be approved.
4. I have voluntarily signed this statement and retain a copy of it.

MICHAEL D. ALMY, Maj, USAF

The preceding statement of Maj Almy was his decision, signed following counseling by me and after being advised of his rights and privileges.
