On January 27, 2011, Defendants filed motions to dismiss noticed for hearing on March 17, 2011. Per stipulation of the parties, the Court continued the hearing to March 31, 2011, to accommodate Plaintiff's late-filed opposition. Plaintiff subsequently filed a motion to supplement and amend his complaint and noticed it for hearing on April 14, 2011.

The parties believe it is in the interests of judicial economy and makes common sense for Defendants' motions to dismiss and Plaintiff's motion to supplement and amend to be heard together. Accordingly, the parties hereby stipulate to continue the hearing on Defendants' motions to dismiss to April 14, 2011 at 1:30 p.m., the same date and time as the hearing on Plaintiff's motion to supplement and amend his complaint. The parties further stipulate that Defendants' oppositions to the motion to supplement and amend the complaint shall be filed on or before March 24, 2011, Defendants' reply on the motion to dismiss shall be filed on or before March 31, 2011 and Plaintiff's reply on the motion to supplement and amend the complaint shall be filed on or before March 31, 2011.
