No. C10-80133 MISC JSW (BZ)
**ORDER DENYING ADMINISTRATIVE
MOTION TO FILE DOCUMENTS
UNDER SEAL**

Having reviewed defendant Red Hat's declaration (Doc. No. 10) in support of plaintiff's motion to file documents under seal (Doc. No. 5), the Court finds no sufficient basis for allowing the documents to be filed under seal. The Lubozynski declaration simply states that the revelation of certain information would cause Red Hat competitive disadvantage, but does not state how. After reviewing the documents, I do not find that they contain any confidential or sensitive material.
