ORDER
FOR TIME EXTENSION TO
SUBMIT OBJECTION AND RESCHEDULE
OF HEARING
10mc80273 CRB
11mc80005 CRB

REQUEST FOR TIME EXTENSION:

In March 2011 I was bed ridden with an influenza infection for approx 10 days and as a result I have been unable to submit a timely motion to object to the AUSA's motion to dismiss my quash. In addition, my 90 year old terminally ill mother contracted the infection as well. My obligation and responsibility as her primary and sole care giver has additionally restricted my ability to responded in a timely manner.

I humbly request the court grant me until April 23, 2011 by which to submit my objection and also request a rescheduling of the April 8, 2011 hearing for May 6, 2011.

Respectfully submitted this March 23,2011
