 12 SAN FRANCISCO DIVISION

14 SONY COMPUTER ENTERTAINMENT
 AMERICA LLC, a Delaware limited liability
 15 company,

Case No. ~~011~~ ~~0167~~

16 Plaintiff,

NOTICE OF RELATED CASE

17 v.

18 GEORGE HOTZ; HECTOR MARTIN
 CANTERO; SVEN PETER; and DOES 1 through
 19 100,

20 Defendants.

1 Pursuant to Local Rule 3-12, Plaintiff Sony Computer Entertainment America, LLC
2 ("SCEA") respectfully submits this Notice of Related Case. In this action, SCEA alleges
3 claims for violations of the Digital Millennium Copyright Act, violations of the Computer Fraud
4 and Abuse Act, contributory copyright infringement, violations of the California
5 Comprehensive Computer Data Access and Fraud Act, breach of contract, tortious
6 interference with contractual relations, common law misappropriation and trespass is related
7 to a DMCA action previously filed with the Court.

8 On August 31, 2010, SCEA filed the DMCA action, *Sony Computer Entertainment*
9 *America, LLC v. Zoomba LDC, et al.*, Case No. C-10-03909 RS. The immediate action is
10 related to SCEA's previous DMCA action because both cases seek injunctive relief and
11 damages based on unlawful circumvention of effective technological protection measures
12 and distribution of circumvention devices that enable unauthorized access to SCEA's
13 proprietary PlayStation® 3 computer entertainment system ("PS3 System") as well as
14 SCEA's other copyrighted works. Many of the same technologies and technological
15 protection measures are implicated in both cases. Thus, the two cases may call for a
16 determination of similar questions of law and fact, and will likely conserve judicial effort and
17 other economies if heard by the same judge.

18 DATED: January 11, 2011

Respectfully submitted,
