Holly, it is now 11:51. Where is your portion of the letter (which we have had no chance to review and rebut). You have had our portion since 10:40 and we have received nothing from your portion. This is prejudicial and a violation of the Court's order (that you wrote). Please send me your portion immediately. Thank you.

Holly,

You have had 55 minutes to review our arguments, rebut them, and make arguments of your own. We have not been provided with a single draft of your position so we are now prejudiced by your delay. Turning the document in to us at 11:50 will represent your final draft and we are permitted to edit our portion to rebut your arguments without further back-and-forths.
