STIPULATION

1. On Thursday, May 17, 2012, the parties participated in a second full day of mediation in this matter. The parties were able to make significant progress, but have not yet resolved all outstanding issues. To explore whether all issues can be resolved, the parties have set aside June 19, 2012, to conduct a third mediation session with mediator Steven Schrey.

2. To allow the parties to continue exploring settlement, the parties request that the Court vacate the current date of July 9, 2012, as the deadline for hearing motions for summary judgment.

3. In the event the parties are unable to reach a resolution of all issues through mediation, the parties will submit an updated joint case management report that includes a proposed schedule for discovery and any other pretrial deadlines.
