		STIPULATION AND ORDER. NOW, THEREFORE, pursuant to Federal Rule of Civil Procedure 26(c) and Civil Local Rule 7-11, upon further stipulation of the parties, the Court hereby enters the following Amendment to the May 7, 2003 Confidentiality Order, as amended on March 30, 2004, to govern the discovery process: 1. Section 2(e) of the First Stipulated Amendment is hereby amended to read: the hardcopy printouts may not be copied, electronically or otherwise, or in any other way recreated or duplicated, except that the party who received source code may make two (2) additional hardcopy printouts of portions of source code, or the entire source code, to either personally carry with them, or ship securely via bonded courier or similar service pursuant to section 2(1), to a deposition site to serve as deposition exhibits, after which the additional hardcopy printouts used as deposition exhibits will be maintained, pursuant to the other provisions herein, by counsel taking the deposition; 2. In keeping with the provisions of the Confidentiality Order, as amended by the First Stipulated Amendment, which this further Stipulation augments but does not supersede, nothing herein shall preclude any party from applying to the Court for any modification of the terms provided herein, as it may deem appropriate under the circumstances; provided, however, that prior to such application, the parties involved shall make a good faith effort to resolve the matter by agreement. 07/27/2004	234	ORDER RE PRODUCTION OF ELECTRONIC DOCUMENTS: The Court therefore orders that Polycom provide the documents to CPI in electronically searchable form as requested, provided that the metadata is limited to only those objective fields that will not invade Polycom's privileges. Given, however, that Polycom has already produced the documents as.tif images, CPI shall bear the reasonable out of pocket costs, if any, that Polycom will incur in providing the documents to CPI in electronically searchable format (e.g., vendor expenses). CPI has not demonstrated that the Tel Aviv documents are necessary for the deposition of the next schedule Polycom witness. The Court, therefore, shall order Polycom to complete its production of the Tel Aviv by August 15, 2004. Polycom, however, is forewarned that its witnesses may need to be re-deposed if CPI can demonstrate that such discovery is needed in light of subsequently produced documents. The other documents which are the subject of this order shall be produced by August 4, 2004. IT IS SO ORDERED. Signed by Magistrate Judge Edward M. Chen on 07/27/04.
