UNITED STATES DISTRICT COURT
Northern District of California
San Francisco Division

RICHARD SKAFF, et al.,

No. C 11-00869 LB

Plaintiffs,

v.

**ORDER REGARDING THE PARTIES'
JANUARY 18, 2013 STATUS UPDATE
AND SETTING AN INITIAL CASE
MANAGEMENT CONFERENCE**

SAFARI WEST, INC., et al.

Defendants.

[Re: ECF No. 32]

This is an action brought under the Americans with Disabilities Act. On October 10, 2012, the parties submitted a joint status update that informed the court that they are continuing their settlement discussions with mediator Daniel Bowling. 10/10/2012 Status Report, ECF No. 27. Because things apparently were going well and the parties were in the process of preparing drafts of settlement documents, the court decided not to set an initial case management conference at that time. 10/10/2012 Order, ECF No. 28. Instead, the court ordered the parties to submit another status update no later than November 12, 2012, describing the current status of the case. *Id.*

On November 26, 2012, the parties filed their updated status report. 11/26/2012 Status Report, ECF No. 29. In it, the parties stated that, while things were still going well, certain scheduling conflicts had prevented them from completing the settlement process. *Id.* at 3. Accordingly, the court again declined to set an initial case management conference at this time ordered the parties to submit another status update no later than January 18, 2012 that described the current status of the case. 11/28/2013 Order, ECF No. 30.
