**ORDER DENYING PLAINTIFF'S
NOTICE AND APPEAL TO COURT
FOR FURTHER MEDIATION
(Docket No. 149)**

8 v.

9 RICHARD N. GOLDMAN ESTATE, et al.,

10 Defendants.
11

12 Pending before the Court is Plaintiff Richard McRee's Notice and Appeal to Court for Further
13 Mediation, filed on May 9, 2013. Dkt. No. 149. This matter was settled on October 3, 2012, during a
14 settlement conference presided over by Chief Magistrate Judge Elizabeth Laporte and the
15 undersigned. Dkt. No. 135. Pursuant to Mr. McRee's request, the settlement was memorialized in a
16 written agreement. This written agreement was first provided to Mr. McRee on December 5, 2012.
17 Mr. McRee objected to certain of its terms and a further settlement conference with the undersigned
18 was held on February 27, 2013. Dkt. No. 147. The written agreement was modified during this
19 further settlement conference to address Mr. McRee's concerns and Mr. McRee subsequently signed
20 it. Dkt. No. 151, Ex. A.

21 Upon review of Plaintiff's Notice and Defendant City and County of San Francisco's
22 response, the Court finds that San Francisco has complied with its obligations to Mr. McRee under
23 the settlement. There is no basis to revisit the settlement terms or conduct any further mediation
24 proceedings about these matters. Accordingly, Plaintiff's request is DENIED.

25 **IT IS SO ORDERED.**
