WHEREAS, a motion for appointment of lead plaintiff was filed on May 3, 2011, and is set for hearing on June 24, 2011;

WHEREAS, pursuant to stipulation, the Court entered an order on April 22, 2011 providing that, within forty-five (45) days of appointment of a lead plaintiff, an amended complaint shall be designated or filed, and that defendants shall have forty-five (45) days thereafter in which to file a motion to dismiss;

WHEREAS, pursuant to the Reform Act, all proceedings herein are stayed until a motion to dismiss is denied; and

WHEREAS, in light of the foregoing, the parties believe that a case management conference at this point would serve no purpose and would result in the needless expenditure of private and judicial resources, and that the initial case management conference in this action should be continued to a date after the Court has had an opportunity to decide defendants' anticipated motion to dismiss;

WHEREAS, the parties have conferred with the Court and been informed that September 9, 2011, at 10:00 a.m. is a convenient date for the case management conference;

2 that the case management conference presently scheduled for June 10, 2011 be continued until
