25
 26 Counsel for Plaintiffs Cora Bucklin and Virginia Burton and Defendant Zurich American
 27 Insurance Company having met and conferred regarding proper venue of this matter, have agreed
 28

1 that this matter should be transferred to the United States District Court for the Central District of
2 California, pursuant to 28 U.S.C. § 1404(a). Accordingly, the parties hereby stipulate as follows:

3 WHEREAS, Plaintiffs filed their First Amended Complaint on May 18, 2011 and
4 Defendant first appeared, by filing its Answer to Plaintiff's First Amended Complaint, on June 6,
5 2011. In its Answer, Defendant first raised its contention that the Central District of California is
6 a more convenient forum for the litigation of the above-captioned action.

7 WHEREAS, Defendant thereafter prepared to file a Motion to Transfer Venue to the
8 Central District of California pursuant to 28 U.S.C. § 1404(a) on the grounds that (i) Plaintiffs'
9 claims could have been brought in that district; (ii) the convenience of the witnesses and parties
10 strongly favors a transfer; (iii) events relevant to Plaintiffs' claims and Defendant's defenses
11 occurred in the Central District (*i.e.* Plaintiffs were employed by Defendant in the Central
12 District of California) and, thus, sources of proof are in the Central District; (iv) Plaintiffs
13 themselves are located in the Central District of California; and (v) the interests of justice are
14 furthered by such a transfer.

15 WHEREAS, prior to filing its Motion, Defendant met and conferred with Plaintiffs'
16 counsel regarding Defendant's Motion to Transfer Venue, and the parties ultimately agreed that
17 the venue should be transferred to the Central District of California for the convenience of the
18 parties and witnesses.

19 NOW, THEREFORE, the parties hereby stipulate and agree, and respectfully request that
20 the Court order, that the above-captioned action be transferred to the Central District of
21 California on the following grounds: (i) this case could have been brought in the Central District
22 of California; (ii) transferring the case to the Central District of California would be more
23 convenient to witnesses than would proceeding in this Court; (iii) transferring this case to the
24 Central District of California would be more convenient to the parties than would proceeding in
25 this Court; and (iv) the interests of justice are furthered by such a transfer.

26 The parties agree and stipulate that, under 28 U.S.C. § 1404(a), the Central District of
27 California is the appropriate venue for this action and agree that this action should be transferred
28

1 to that venue. This case arises out of the Central District of California, as both Plaintiffs worked
2 for Defendant in Woodland Hills, California and Plaintiffs reside in Los Angeles County.

3 The parties further stipulate and agree that, upon transfer, they will meet and confer as to
4 a briefing schedule for Plaintiffs' motion for class certification that is outside of the timing
5 required by Central District Local Rule 23-3.

6 **IT IS SO STIPULATED.**
