Plaintiff,

vs.

Micheal Astrue

Commissioner of social security

Defendant

Case No.:3-11-cv-01374-emc

Motion for an extension of time

ORDER

Dear your honor sir! I am asking once again for one more time extension, as I am very close to getting my last motion for summary judgement finished. I was really counting on a law firm picking up my case, now to deal with the legal help center, one has to file a paper request and be scheduled for an appointment. The legal research that is required to file such a case on my own,I get a lot of help form people as they come along, or as I come across these people. I wish to have this case move along however I just need a little more time to move forward, I am actually just one exhibit away. Please bare with me.

I state under the penalty of perjury, that the forgoing is true and correct to the best of my abilities.I am scheduled to see my psychiatrist on the 19th of this month Where I will get my last exhibit, and be able to move forward from there. I ask for an extention until February 1st. Thank you.
