	)	<b>CONFERENCE</b>
	)	Scheduled Date: July 22, 2011

21 IT IS HEREBY STIPULATED and requested by the parties, through their respective  
 22 undersigned counsel, that the case management conference now set for July 22, 2011 be  
 23 continued for approximately 60 to allow time for the parties to prepare and submit cross-motions  
 24 for summary judgment. The parties believe that the filing of their cross-motions for summary  
 25 judgment should eliminate the need for conducting a case management conference.

26 This is an action brought under the Administrative Procedure Act, and in support of the  
 27 parties' request, counsel for the defendants represents that the defendants expect to file the  
 28 administrative record with the Court within 30 days of the date of this request.

Counsel for the plaintiff represents that the plaintiff intends to file its motion for  
 summary judgment not later than 30 days after of the date defendants file the administrative  
 record.

1 For all the forgoing reasons the parties respectively ask that the case management  
2 conference be continued approximately 60 days
