19 The parties in the above-captioned matter were successful in reaching an agreement as to
 20 terms for a settlement at mediation. The parties are in the midst of preparing formal settlement
 21 documentation encompassing the terms acceptable to all parties.

22 Under the terms of the settlement, payments would be made in October, November and
 23 December, and, if all payments are paid in full and on time, this matter would be dismissed.

24 The parties therefore request that the Case Management Conference currently set for
 25 October 7, 2011, be continued to a date in January 2012, so that the formal settlement
 26 documentation may be completed, the payments made and the matter dismissed prior to any need
