

1 completed prior to the January 24, 2012 Settlement Conference date. The parties do not wish to  
2 waste the Court's valuable time or the opportunity to engage in a meaningful and productive  
3 Settlement Conference. Due to these unforeseen circumstances and the limited amount of  
4 discovery that has been completed thus far, the parties agree that a January 24, 2012 Settlement  
5 Conference date would, in all likelihood, result in an unproductive session. Therefore, the parties  
6 respectfully request that the Settlement Conference be continued through until March 10, 2012.
