Case No. 3:11-cv-02136-EMC
JOINT STIPULATION AND [PROPOSED]
ORDER REGARDING CONTINUANCE
OF SEPTEMBER 19, 2013 CASE
MANAGEMENT CONFERENCE
 Civil L.R. 7-12

1 The parties to this action—plaintiff ADC Technology, Inc. (“ADC”) and defendants Palm,
2 Inc. and Hewlett-Packard Co. (collectively, “Palm”)—respectfully submit this stipulation, requesting
3 that the Court continue the Case Management Conference previously scheduled in this action for
4 September 19, 2013 to a date in November 2013, or an alternative future date that is convenient to
5 the Court.

6 Good cause exists for this requested continuance of the Case Management Conference, as set
7 forth below:

- 8 ■ This is a patent case in which the plaintiff, ADC, asserts three patents—namely, U.S.
9 Patent Nos. 6,985,136 (the “136 patent”), 7,057,605 (the “605 patent”) and 7,567,361
10 (the “361 patent”) (collectively, the “patents-in-suit”).
- 11 ■ In mid-2011, pursuant to a third-party request, the PTO ordered reexamination of each of
12 the three patents-in-suit.
- 13 ■ In July 2011, defendant Palm filed a stipulated motion to stay this case pending final
14 determination of the reexamination of the patents-in-suit by the PTO. (*See* Docket
15 No. 68.) Plaintiff ADC stipulated to this stay motion. (*Id.*)
- 16 ■ On July 25, 2011, the Court granted the stipulated stay motion and ordered that “[t]his
17 action is stayed pending final determination of the reexamination of the patents-in-suit”
18 by the PTO. (*See* Docket No. 70.) In its order, the Court instructed the parties to advise
19 the Court when the PTO has issued a final determination on reexamination. (*Id.*) In
20 addition, the Court set a case management conference for May 11, 2012, which was
21 subsequently re-set for May 18, 2012. (*Id.*)
- 22 ■ In May and September, 2012 and in January and May, 2013, defendant Palm and plaintiff
23 ADC filed stipulations requesting continuance of the case management conference,
24 noting that there has not yet been a final determination of the reexamination of all of the
25 patents-in-suit and indicating agreement that a continued stay in this action was
26 appropriate. (*See Docket Nos. 72, 74, 77.*) The Court granted the stipulated requests and
27

1 re-set the case management conference, which is currently set for September 19, 2013.
2 (*See Docket No. 73, 75, 78, 81.*)

- 3 ■ To date, there has not yet been a final determination of the reexamination of all of the
4 patents-in-suit. Although the PTO has issued a reexamination certificate for the '136
5 patent in December 2011, the reexamination proceedings that the PTO initiated in mid-
6 2011 on the '605 and '361 patents remain ongoing. The PTO had initiated additional
7 reexamination proceedings on the '136, '361, and '605 patents in July, November, and
8 December 2012, respectively. However, ADC represents that all of those additional
9 reexamination proceedings are in the process of being dismissed and, upon dismissal,
10 there will be no reexaminations proceedings pending with respect to the '136 patent.
- 11 ■ Recently, ADC and Palm have engaged in more serious discussions in order to try and
12 resolve the dispute. The parties believe they need additional time to fully exhaust
13 reasonable efforts to settle the case.
- 14 ■ The parties presently agree that the Case Management Conference should be continued to
15 a date in November 2013, or an alternative future date that is convenient to the Court in
16 view of the pending reexaminations on the '605 and '361 patents and to allow the parties
17 some brief additional time to try and settle the case without burdening the Court. The
18 parties further agree that if any of the reexaminations are completed before the
19 rescheduled Case Management Conference, either party may file a motion to have the
20 stay lifted, and the other party may oppose the motion.

21 In view of the foregoing, the parties respectfully request that the Case Management
22 Conference previously set for September 19, 2013, be continued to a date in November 2013, or an
23 alternative future date that is convenient to the Court.
