I, DAVID ANDERMAN, declare as follows:

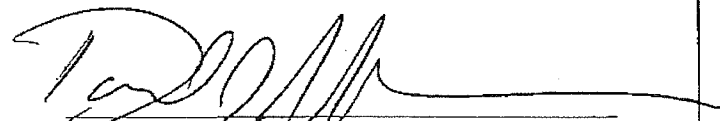

1. I am an attorney licensed to practice in California. Since September 2008, I have been employed as General Counsel of Lucasfilm Ltd. ("Lucasfilm"), one of the defendants in this action. Prior to becoming General Counsel, I held various positions on Lucasfilm's legal team since joining the company in 1998. I have personal knowledge of the facts set forth below and, if called as a witness, could and would testify competently to those facts.

2. Since July 2005, Lucasfilm has been located at the Letterman Digital Arts Center on the Presidio of San Francisco, at 1110 Gorgas Avenue, San Francisco, California 94129.

3. Since Lucasfilm moved to the Presidio in July 2005, Lucasfilm's human resources department has been located, and all its employment decisions related to recruiting and compensation have been made, on the Presidio.

4. I am informed by Lucasfilm's human resources department, and on that basis believe, that plaintiff Siddharth Hariharan was employed at Lucasfilm between January 2007 and August 2008. During that entire period of time, Lucasfilm was located, and Plaintiff worked on, the Presidio.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed on May 19, 2011.

DAVID ANDERMAN
