1 WHEREAS the above-captioned cases (“Track 2” cases) have been proceeding with  
2 pretrial preparation in accordance with the Court’s Orders dated November 13 and 21, 2012 (Dkt.  
3 Nos. 7139 and 7230) and the deadline for close of limited fact discovery unique to Track 2 cases is  
4 presently April 2, 2013;

5 WHEREAS counsel for plaintiffs and counsel for defendants in the Track 2 cases believe  
6 additional time is needed to complete fact discovery unique to the Track 2 cases;

7 WHEREAS counsel for plaintiffs and counsel for defendants in the Track 2 cases have met  
8 and conferred and determined that an approximate 45-day extension for all current deadlines,  
9 except as described below, would be appropriate, though defendants caution that the 45-day  
10 extension may not be sufficient if the parties cannot complete discovery in that time period;

11 WHEREAS counsel for plaintiffs and counsel for defendants in the Track 2 cases have met  
12 and conferred and determined that the schedule should include a deadline by which defendants may  
13 submit sur-rebuttal expert reports on the subject of downstream pass-on;

14 WHEREAS a 45 day extension for deadlines in the Track 2 cases and providing a period in  
15 which defendants may submit sur-rebuttal expert reports on the subject of downstream pass-on will  
16 not prejudice any of the parties or the Court because trial dates have not been scheduled for any of  
17 these cases;

18 WHEREAS counsel for the State of Oregon and T-Mobile and counsel for defendants agree  
19 that both the State of Oregon and T-Mobile actions should not proceed according to the current  
20 Track 2 schedule, but that the additional 45 days contemplated for the other Track 2 cases is not  
21 sufficient for the State of Oregon and T-Mobile matters;

22 WHEREAS, counsel for the State of Oregon and defendants have met and conferred and  
23 determined that an approximate 180 day extension of all current deadlines would be appropriate;

24 WHEREAS counsel for T-Mobile and counsel for defendants set forth their views with  
25 respect to the deadlines in the T-Mobile action in the Case Management Conference statement  
26 submitted to the Court on March 8 (*See e.g.* Dkt. No. 403).
