4 UNITED STATES DISTRICT COURT  
5 NORTHERN DISTRICT OF CALIFORNIA

6 MICHAEL RODMAN,  
7 Plaintiff,

8 v.

9 SAFEWAY, INC.,  
10 Defendant.  
11

Case No. 11-cv-03003-JST

**MINUTE ORDER CLARIFYING DATE  
FOR DEFENDANT TO FILE  
DOCUMENTS IN THE PUBLIC  
RECORD**

Re: ECF No. 140

12  
13 In its order dated December 25 and filed December 30, the Court stated that Defendant  
14 could not file a modified version of its opposition brief and unsealed versions of its exhibits “until  
15 four days from the date of this Order elapse.” ECF No. 140 (citing Civil L.R. 79-5(e)). Since the  
16 Court’s order was not filed until December 30, and since several of the intervening days fall on  
17 Court holidays, the Court hereby notifies the parties that Defendant may not file the documents in  
18 the public record until 5:00 P.M. on Monday, January 6. If, before that time, Plaintiff notifies the  
19 Court that its failure to file a supporting declaration was in error, demonstrates good cause for its  
20 failure to file, and indicates that it will file such a declaration promptly, the Court is likely to  
21 approve a modest delay in the deadline for Defendant to docket an unsealed version of its filings  
22 so that the Court can consider Plaintiff’s argument in support of sealing.

23 **IT IS SO ORDERED.**
