17 The Parties in this case had their initial conference call whether or not an Alternative
18 Dispute Resolution would be warranted on December 29, 2011 in this case. Daniel Bowling has
19 been assigned by the Court to recommend to the Court whether ADR is appropriate in this case.
20 After the call, it was determined that there was a need for further discussions with Mr. Bowling
21 before he could render his recommendation to the Court. He therefore assigned February 9,
22 2012 as the date for the next conference call. Plaintiff through his counsel, and Defendants
23 Wells Fargo Bank, N.A. and Mortgage Electronic Registration Systems, Inc., represented by Mr.
24 Ronald M. Arlas, and Defendant NDeX West, LLC represented by Mr. Thomas K. Agawa, have
25 all stipulated to this date for continuing the ADR report.
26

27 Based on the above facts, it is respectfully requested that an order be issued affirming the
28 above continuance.
