UNITED STATES DISTRICT COURT
Northern District of California

EEOC, No. C 11-04269 MEJ

Plaintiff(s),
v. **ADMINISTRATIVE CLOSURE**
CRIME SCENE CLEANERS INC,
Defendant(s).

The parties in this case have agreed to resolve this case by entry of a Consent Decree, and the Court has entered said decree. Dkt. Nos. 53, 54. Although it retains jurisdiction over this matter until the expiration of the consent decree, there appears to be no reason to maintain the file as an open case. Accordingly, the Court finds an administrative closure appropriate and instructs the Clerk of Court to close this case for statistical purposes. Nothing contained in this Order shall be considered a dismissal or disposition of this action and, should further proceedings in this litigation become necessary, any party may initiate it in the same manner as if this Order had not been entered.

IT IS SO ORDERED.

Dated: December 13, 2012

Maria-Elena James
Chief United States Magistrate Judge

UNITED STATES DISTRICT COURT
For the Northern District of California
