Case No. C-11-4470 WHO

**STIPULATION AND REQUEST TO
EXTEND DEADLINES AND ORDER**

STIPULATION AND REQUEST

The parties to this matter, by and through their counsel of record, hereby stipulate as follows:

Whereas the United States Equal Employment Opportunity Commission ("Commission"), Plaintiff in this case, has reopened after a sixteen-day government shutdown, the parties agree and request of the Court that any dates presently set in this case, including but not limited to discovery dates and scheduled depositions, should be extended for approximately thirty (30) days from the previous set deadlines pursuant to the following proposed dates:

The parties further stipulate that these dates reflect current scheduling difficulties regarding depositions of Charging Party’s physician, Dr. Juanito Austria, and former Store Manager, Kathy Marsh. Dr. Austria’s deposition, which was previously set for October 10, 2013, was cancelled due to the government shutdown. Although the shutdown has ended, Dr. Austria is currently unavailable as he is out of the country and will not return until late November. His deposition is necessary to Defendant’s motion for summary judgment and therefore, the summary judgment motion filing deadline must be moved to allow for the completion of Dr. Austria’s deposition to take place. Additionally, Kathy Marsh is currently unavailable to be deposed as she is on medical leave. For these reasons stated above, we request that all dates be extended for approximately thirty days.
