UNITED STATES DISTRICT COURT
Northern District of California

DEREK WHEAT,

Plaintiff,

v.

COUNTY OF ALAMEDA, et al.,

Defendants.

No. C 11-4509 MEJ

ORDER RE: MOTION TO STRIKE

Re: Docket No. 24

On January 24, 2012, Plaintiff Derek Wheat filed a Motion to Strike Defendants' Request for Judicial Notice. Dkt. Nos. 22, 24. Plaintiff noticed the motion for a hearing on February 16, 2012, which is not in compliance with Civil Local Rule 7. However, the Court shall construe Plaintiff's filing as an objection rather than a motion, and shall therefore consider it as part of Defendants' pending motion to dismiss. No further briefing is required.

IT IS SO ORDERED.

Dated: January 25, 2012

Maria-Elena James
Chief United States Magistrate Judge

UNITED STATES DISTRICT COURT
For the Northern District of California
