20 Currently before the Court are defendants' motion to stay these cases pending resolution of the
21 parties' motions pursuant to 28 U.S.C. section 1407 by the Judicial Panel on Multidistrict Litigation.

22 Plaintiffs' responseS to the motions were due on or before January 3, 2012. No responses or
23 oppositions have been filed as of this date. In their joint case management conference statements, the
24 parties indicate that the JPMDL will be hearing the section 1407 motions in late January. In the same
25 filings, plaintiffs indicate they do not oppose a stay pending the resolution of the motions by the
