15 UNITED STATES DISTRICT COURT
 16 NORTHERN DISTRICT OF CALIFORNIA

17 PNY TECHNOLOGIES, INC.,
 18 Plaintiff,

19 vs.

20 SANDISK CORPORATION,
 21 Defendant.

Case No.: C-11-04689 WHO

**STIPULATED REQUEST FOR ORDER
 MODIFYING PRETRIAL SCHEDULE**

1 Pursuant to Local Rules 6-2 and 7-12, Plaintiff PNY Technologies, Inc. (“PNY”), and
2 Defendant SanDisk Corporation (“SanDisk”), by and through their respective counsel of record,
3 hereby stipulate to and respectfully request that the Court enter an order extending certain case
4 management deadlines.

5 The primary basis for this request is that the parties recently completed a trial in their state
6 court matter in Santa Clara County (SanDisk Corporation v. PNY Technologies, Inc., Superior
7 Court of California, County of Santa Clara, Case No. 1:11-cv-205928). Trial proceedings began on
8 January 28, 2014 and the jury returned its verdict on March 10, 2014. The state court trial took
9 longer than the parties expected and disrupted the parties’ ability to complete discovery in
10 accordance with the prior case management order. In addition, post-trial proceedings are likely to
11 consume additional time over the next several weeks.

12 In addition, SanDisk’s Motion to Dismiss PNY’s Second Amended Complaint is scheduled
13 to be heard on April 9, 2014, and the Court’s ruling on this motion may affect discovery in this
14 case.

15 Accordingly, the parties propose the following changes to the Court’s November 19, 2013
16 case management order:

<u>Event</u>	<u>Current Date</u>	<u>Proposed Modified Date</u>
Discovery cutoff:	April 18, 2014	June 24, 2014
Expert disclosure:	May 23, 2014	July 31, 2014
Expert rebuttal:	June 20, 2014	September 1, 2014
Expert discovery cutoff:	July 18, 2014	September 24, 2014
Motions heard by:	October 8, 2014	November 12, 2014

24 Prior time modifications in this case consist of (a) the November 3, 2011 Stipulation and
25 Order providing SanDisk with additional time to respond to PNY’s complaint, so that SanDisk’s
26 response was due on November 9, 2011, (b) the November 16, 2011 Stipulation and Order setting
27 an extended briefing schedule and hearing date on SanDisk’s motion to dismiss PNY’s original
28

1 complaint, and (c) the May 16, 2012 Order extending the time for PNY to file its First Amended
2 Complaint, (d) the July 19, 2012 Order modifying the briefing schedule with respect to SanDisk's
3 Motion to Dismiss the First Amended Complaint, and (e) the Court's November 19, 2013 Order
4 modifying the pretrial schedule.

ORDER

The Court will hold a Case Management Conference after the hearing on SanDisk's Motion to Dismiss PNY's Second Amended Complaint on April 9, 2014 to modify the case management schedule. It is not necessary to file a Joint Case Management Statement unless there are additional issues the parties would like to bring to the Court's attention. In light of the verdict in the Superior Court of California, County of Santa Clara, I would agree to adjust the schedule as requested by the parties. However, before setting new dates, I would like to talk with the parties about (i) the effect on the schedule, if any, that my ruling on the motion will have, (ii) what impact the verdict has on the mediation or other resolution of the case, and (iii) the need to set a new trial date to accommodate the revised case management schedule. If the proposed schedule becomes the final schedule, I would continue the trial until February 17, 2015, assuming that date is convenient to counsel, to allow three months from the last day to hear dispositive motions until the trial.

IT IS SO ORDERED.

UNITED STATES DISTRICT JUDGE
