Case No. CV 11 4950 MMC

**STIPULATION IN SUPPORT OF THE
 PARTIES' JOINT ADMINISTRATIVE
 MOTION TO CONTINUE CASE
 MANAGEMENT CONFERENCE AND
 PROPOSED ORDER**

27 ///

1 1. On March 2, 2012, the parties appeared before the court at the initial Case Management
2 Conference.

3 2. Among other issues discussed, plaintiffs informed the court that they planned to amend
4 their complaint to add new claims and parties upon the receipt of Right to Sue Notices that had been
5 requested from the Department of Justice. The court, finding it premature to schedule future dates due
6 to the proposed amendment, ordered that the Case Management Conference be continued to May 4,
7 2012 at 10:30 a.m. for a further Case Management Conference so that the parties could report on their
8 progress, if any.

9 3. Plaintiffs received Right to Sue Notices for the additional parties they wish to join and
10 claims they wish to add on April 5, 2012, April 16, 2012, and April 26, 2012. The plaintiffs now have
11 all the Right to Sue Notices required to amend their complaint.

12 4. On April 27, 2012, via telephone, the parties discussed the upcoming Case
13 Management Conference and proposed amended complaint. The parties agreed to stipulate to a 30-
14 day continuance of the Case Management Conference set for May 4, 2012 so that: the plaintiffs' can
15 draft a proposed amended complaint; the parties can meet and confer over the possibility of a
16 stipulation to file said amended complaint; and the plaintiffs can take whatever steps necessary based
17 on the results of their conference. If the court grants this continuance, the parties will then report their
18 progress to the court at the continued Case Management Conference.

19 5. Accordingly, the parties believe that the above-stipulated facts constitute good cause
20 for a continuance and the hereby stipulate to continue the May 4, 2012 Case Management Conference
21 to Friday, June 1, 2012 at 10:30 a.m., or another date and time that is convenient for the court.
