Case No. 11-cv-05243-RS

**STIPULATION AND**  
**[PROPOSED] ORDER**  
**REGARDING HEARING DATES**  
**FOR PENDING MOTIONS**

1 Pursuant to Local Rule 6-2, the parties request that the Court set a common hearing date for  
2 various substantive motions currently pending. Aside from administrative motions for leave to file  
3 under seal, the parties have six motions pending before the Court. In particular, Round Rock  
4 Research L.L.C. (“Round Rock”) has a motion for summary judgment regarding several affirmative  
5 defenses raised by SanDisk Corporation (“SanDisk”), including patent exhaustion. [See Dkt. No.  
6 123.] SanDisk has a motion for summary judgment regarding anticipation of claims 1, 2, and 4 of  
7 U.S. Patent No. 6,383,839 (“the ’839 patent”). [See Dkt. No. 141.] SanDisk recently filed a motion  
8 for summary judgment requesting the following relief: claim 14 of U.S. Patent No. 6,570,791 (“the  
9 ’791 patent”) is anticipated, Round Rock cannot seek damages for alleged infringement of the ’791  
10 patent before August 11, 2011, Round Rock cannot prove infringement of claim 1 of U.S. Patent  
11 No. 5,682,345 (“the ’345 patent”), SanDisk does not infringe the ’839 patent, and SanDisk’s does  
12 not infringe the ’345 patent, the ’791 patent or U.S. Patent No. 6,845,053 (“the ’053 patent”) in view  
13 of its affirmative defense of patent exhaustion. [See Dkt. No. 317.] Round Rock recently filed a  
14 motion for summary judgment seeking the following relief: SanDisk infringes claim 14 of the ’791  
15 patent, SanDisk infringes claim 39 of the ’345 patent, SanDisk infringes claim 24 of the ’053 patent,  
16 and the “Garner” reference does not anticipate claim 24 of the ’053 patent. [See Dkt. No. 314.]  
17 Finally, SanDisk and Round Rock have each filed motions to strike certain portions different expert  
18 reports. [See Dkt. Nos. 272 and 286.]

19 SanDisk and Round Rock respectfully request that the Court conduct a hearing on all six  
20 motions on April 25, 2014 – the date that the Court previously set for hearings on dispositive  
21 motions in this case. [See Dkt. No. 239 (“Hearing on summary judgment motions or other pretrial  
22 motions . . . 04/25/14”).] This stipulation will not impact any of the dates set forth in the parties’  
23 recent stipulation regarding other pre-trial submissions. [See Dkt. No. 322 (Order adopting  
24 stipulated dates).]

**~~PROPOSED~~ ORDER**

Pursuant to the above stipulation, the following pending motions are set for hearing on April 25, 2014: Dkt. Nos. 123 (Round Rock motion for summary judgment on several affirmative defenses), 141 (SanDisk motion for summary judgment regarding anticipation), 272 (SanDisk motion to strike portions of expert reports), 286 (Round Rock motion to strike portions of expert reports), 314 (Round Rock motion for summary judgment regarding certain infringement and validity disputes), and 317 (SanDisk's motion for summary judgment regarding exhaustion, non-infringement, damages, and invalidity).

**IT IS SO ORDERED.**

Dated: 3/24/14
