Following their negotiations after the February 13, 2014 settlement conference, the parties have reached a settlement agreement in principle and seek to conserve their resources while reducing the agreed-upon term sheet to a formal Settlement Agreement. The parties do not seek to extend the trial date.

No later than March 24, 2014, the parties agree to either: (i) file a dismissal of this matter with prejudice; or (ii) submit a joint status report regarding status of efforts to finalize the parties' settlement.

In the event the case goes to trial, the parties stipulate to the limit of three Daubert motions, each up to 15 pages per side.
