19 Plaintiff has moved for an order remanding this action to state court. Plaintiff's motion is set  
 20 for hearing on January 20, 2012. The court's Order Setting Initial Case Management Conference  
 21 and ADR Deadlines, entered November 3, 2011 (the "Initial Order"), establishes an initial discovery  
 22 and ADR schedule under which the parties will be required to perform work which ultimately will be  
 23 unnecessary if the court grants the motion to remand. Accordingly, the parties jointly request  
 24 administrative relief continuing the Case Management Conference and related dates as follows:
