**\*\*E-filed 12/28/11\*\***

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION

IN RE SONY PS3 OTHER OS  
LITIGATION

No. C 10-1811 RS

\_\_\_\_\_ /  
HENRY GARCIA,

No. C 11-2246 RS

**ORDER DENYING MOTION TO  
RELATE CASES**

Plaintiff,

v.

SONY COMPUTER ENTERTAINMENT  
AMERICA LLC, et al.,

Defendants.  
\_\_\_\_\_ /

Sony Computer Entertainment America LLC and Sony Network Entertainment International  
LLC (collectively "Sony") are named as defendants in a putative class action initiated in this District

1 entitled *Fineman v. Sony Network Entertainment International LLC, et al.*, Case No. 11-cv-05680  
2 LB (“*Fineman*”). Sony moves under Local Civil Rule 3-12 to relate *Fineman* to either or both of  
3 the cases captioned above, *In re Sony PS3 Other OS Litigation*, Case No. 10-cv-1811-RS (“*Other*  
4 *OS*”) and *Garcia v. Sony Computer Entertainment America, LLC*, Case No. 11-cv-02246-RS  
5 (“*Garcia*”). While *Other OS* and *Garcia* happen to be assigned to the same judge, they have not  
6 been deemed related to each other within the meaning of Rule 3-12.<sup>1</sup>

7 In broad terms, *Other OS* involves allegations that it was wrongful for Sony to issue a  
8 software update for the PS3 gaming system that, if installed, disabled the system’s “Other OS”  
9 feature. *Garcia* advances a claim that some PS3 consoles are prone to experiencing a hardware  
10 failure when used to play certain games. *Fineman* involves no issues relating to the functionality of  
11 PS3 systems, but challenges a provision recently added to the terms of use agreement governing  
12 access to the PlayStation Network, which provides for mandatory arbitration and waiver of the right  
13 to bring class actions.

14 These three cases have potential overlap in membership of the putative classes and in  
15 defendants named in the actions, and all have some relationship to the PS3 system. The terms of  
16 use governing access to the PlayStation Network are implicated in at least *Fineman* and *Other OS*,  
17 albeit in largely different ways. None of these points of similarity, however, warrant deeming any  
18 of the three cases related under Rule 3-12. The motion is therefore denied.

19

20 IT IS SO ORDERED.

21 Dated: 12/28/11

26 <sup>1</sup> Sony asserts that the Court *sua sponte* reassigned *Garcia* to the undersigned, “good cause  
27 appearing.” To the extent Sony is inferring that the reassignment was based on any relationship  
28 between *Garcia* and *Other OS*, it is mistaken. When filed, *Garcia* was assigned to a magistrate  
judge. Upon plaintiff’s filing of a declination to the jurisdiction of the magistrate judge, the case  
was randomly reassigned to the undersigned.
