SO ORDERED:

  
Honorable Jeffrey S. White  
United States District Judge

The Court notes that the Stipulation and Proposed Order and the Motion for Administrative Relief are redundant. In the future, the Court requests that the parties file *either* a Stipulation and Proposed Order *or* a motion for administrative relief, and if such a motion is not opposed, the parties shall include that information in the motion. If the Court decides that a Stipulation and Proposed Order should not be granted, it will issue an Order to that effect.

\* Admitted *pro hac vice*.
