Case No. 3:11-cv-06391-SI  
**STIPULATION AND ~~PROPOSED~~  
 ORDER TO CHANGE ADR SCHEDULE**

27  
 28

1 IT IS HEREBY STIPULATED by and between Plaintiff and Counterclaim Defendant  
2 Ariosa Diagnostics, Inc. (“Ariosa”), Defendant and Counterclaim Plaintiff Sequenom, Inc.  
3 (“Sequenom”), and Nominal Counterclaim Defendant Isis Innovation Limited (“Isis”), by and  
4 through their counsel of record as follows:

5 WHEREAS the current deadline for the parties to participate in a private ADR session is  
6 August 31, 2012;

7 WHEREAS the parties requested the current deadline be set on August 31, 2012 in part  
8 due to the need to allow sufficient preparation time following the resolution of Sequenom’s  
9 motion for preliminary injunction;

10 WHEREAS the Court’s disposition of Sequenom’s motion for preliminary injunction has  
11 been appealed by Sequenom;

12 WHEREAS Ariosa and Sequenom, in their filings on appeal to the United States Court of  
13 Appeals for the Federal Circuit, have indicated that they are far apart in their settlement positions;

14 NOW, THEREFORE, the parties, by and through the undersigned counsel, hereby  
15 stipulate to the following modification to the ADR schedule:

- 16 • The parties request that the August 31, 2012 deadline for the ADR session be  
17 continued and that a revised deadline for the ADR session be set at the case  
18 management conference to be held following the claim construction hearing for  
19 purposes of setting post-claim construction dates, which revised deadline would  
20 give the parties sufficient time to prepare for and participate in mediation after  
21 claim construction by this Court and a decision from the United States Court of  
22 Appeals for the Federal Circuit in the pending appeal.

23 SO STIPULATED.
