IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

MICHAEL RAY HARRIS,

Petitioner,

No. C 11-80261 WHA

v.

RANDY TEWS,

Respondent.

**ORDER REQUESTING
SUPPLEMENTAL BRIEFING**

In petitioner's fourth habeas claim, he contends the following:

Petitioner is entitled to correction of inaccuracies, outdated, and irrelevant information contained in his Presentence Report. In this case, Petitioner is in the position of being designated, having his release date determined, and having his right to retroactive designation pursuant to 18 U.S.C. section 3621(b) determined by the Bureau of Prisons, based on information contained in a PSR which was prepared some twenty-one and a half years ago.

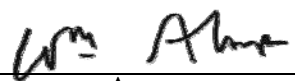

(Habeas 10). Petitioner requests that the Court use its equitable powers to update information in the presentence investigative report that is no longer accurate (Traverse 8).

By **WEDNESDAY, AUGUST 27 AT NOON**, each party should submit a declaration, five pages maximum, describing the proper procedure, if any, for inmates to supply the Bureau of Prisons with additional information, subsequent to their sentencing, that may affect their release date. Specifically, the Court is interested in whether such information is amended to the

1 presentencing investigative report or whether the Bureau of Prisons considers other records
2 outside the report.

4 **IT IS SO ORDERED.**
